The mortuary return for last month is also submitted, shewing 124 births and 113 deaths against 111 and 97 respectively during the previous month.

II. Petition dated 24th May 1875 from one Khazi Nazar Husen Sheiff, Secretary to the Mufidun Nisvan, applying on behalf of the institution for a portion of the Langarkhana to be made over to him for the use of the children attending that school, the building at present occupied as a school-room being in every respect too small and unsuitable for the purpose.

Resolution.—The Commissioners consider that no objections exist to granting to the petitioner, for the purpose indicated, the use of a portion of the Langarkhana building, but decide previous to arriving at a final decision on this matter that the views of the Deputy Commissioner be first ascertained.

III. Petition from one Elizabeth Ayah applying for a piece of ground in lieu of that previously granted to her in the year 1860 by Major Haines, the then Superintendent of the Bangalore District.

Resolution—As it has now been satisfactorily ascertained that the piece of land formerly granted to Elizabeth Ayah by Major Haines is that portion of ground lying immediately adjoining and to the north of Nanna's compound wall opposite to the village of Gangamacheri, it is resolved that possession of the ground referred to be given to Elizabeth Ayah with permission to make such use of the same as she may think proper.
